

Looking for Some Adventure this Year?

Join Cub Scout Pack 106 and Venture Out with our Scouts!

The Scouts of Grafton Cub Scout Pack 106 have a blast all year long! We hike, go camping, go fishing, play sports, and visit all sorts of cool places! There's also the ever-popular Pinewood Derby in January, the Spring time Rocket Day and the Summer Raingutter Regatta! We offer a combination of school year and summer activities designed to keep our Scouts thinking and on their toes. **And no matter what, we have fun!**

As Cub Scouts, boys will learn about many things including: citizenship, physical fitness, out-door skills, sharing, team-work, and self-confidence. Cub Scouts is open to boys who are in Kindergarten through Fifth grade this fall.

New this Fall!
