

PACK 106

“WINTER COAT DRIVE”

Dear Scouters and Parents,

In the past few days we have seen that the cold winter months have started to visit it a bit early. This year Pack 106 will be joining the Mohegan Council with its annual Winter Coat Drive.

Time to dig through those closets and pull out the old coats that you no longer wear and help someone who doesn't have a warm coat for the winter. Donate your clean Men's, Women's, Children's or infants winter jackets, snowsuits, warm sweaters, hats, mittens and gloves. All items will be distributed to families in the Worcester Area.

2 years ago the Pack was able to collect close to 200 articles of clothing. Let's see if we better that this year. All donations can be brought to the December Pack Meeting on Friday December 15th. I will also have boxes set up on my front porch if you would like to drop those off ahead of time. Thank you for considering donating this Holiday Season.

Sincerely,

James Taillefer
